VINIFICATION

Made from free run juice from our very best Merlot, Cabernet and Shiraz grapes with the merest hint of blush from minimal skin contact. The juice was settled and cold fermented to capture the ripe and vibrant fruitiness of these varieties. This wine is aged in tank for a brief duration of 6 months to allow for harmony between the components and then bottled early to present a fresh, fruit forward wine.

STYLE

A pale pink, delicately fruity wine with nuances of apple and fresh berries with a crisp finish. Perfectly balanced, this is a wonderful quaffing wine for a warm summer's day.

SERVING SUGGESTION

Perfect on its own but made more enjoyable in the company of friends, sushi, salads and laughter.
