VINIFICATION

Shiraz grapes for the Grande Provence range come from selected vineyards in the Franschhoek area, a region well known for high quality shiraz. This was an excellent year for the production of Shiraz, with warm days and limited rainfall, resulting in small berries with concentrated flavour.

STYLE

A medium-bodied red wine with ripe blackberry and plum flavours followed by delicate white pepper nuances on the nose and palate. Well integrated oak, soft tannins and an elegant finish, make for a wonderful tasting experience.

This wine was oak matured for 24 months.

Enjoy now or cellar for 3-5 years
